## **Interstate 10 Resurfacing in Walton County**

---

*Chipley, FL* – Construction activities will begin the week of Monday, June 22 on the section of Interstate 10 (I-10) from the Okaloosa County line to west of Boy Scout Road in Walton County.

Improvements consist of milling and resurfacing, installation of guardrail, drainage improvements, traffic monitoring site replacement, wildlife fence replacement and signing and pavement markings. The \$9.9 million project should be complete winter 2016.

This project adjoins the current 6.9-mile resurfacing project on I-10 from just west of Boy Scout Road to east of U.S. 331 (mile marker 85) scheduled to be complete later this fall.

All planned construction activities are weather dependent and may be re-scheduled in the event of inclement weather.
